The Faculty of Science adheres to the University Policy on Academic Dishonesty which constitutes misconduct and is dealt with under the [University's Statute 17](http://calendar.publishing.uwa.edu.au/latest/partc/stat17) (<http://calendar.publishing.uwa.edu.au/latest/partc/stat17>). These guidelines make reference to the following:

- **Cheating** in tests or examinations, e.g., copying from another student, or taking unauthorized materials into the test or examination room.
- **Plagiarism**, i.e., presenting another's work as though it were one's own, for instance quoting or paraphrasing someone else's opinions, arguments or research findings, whether published or unpublished (e.g., from a book or article, an internet site, or another student's assignment), without clear acknowledgement of the source. You may quote material from another source, but if you do so, the quotation must be word perfect and, in addition to citing the source reference in the usual manner, the beginning and end of the quotation must be clearly indicated by quotation marks. E.g. "quotation"
- **Falsifying results** of experiments or research studies.
- **Collusion**, e.g., writing an assignment jointly and submitting it as the work of one individual. Although discussion and co-operation are valuable in the pursuit of knowledge and understanding, any work submitted for assessment must be the individual's own work unless it is clearly designated a group project.
- **Helping someone else to commit any dishonest act** such as those listed above.

The consequences for misconduct can be severe, including exclusion from the university. All students are expected to make themselves aware of the definitions and policies relating to [academic misconduct](http://www.teachingandlearning.uwa.edu.au/staff/policies/conduct) (<http://www.teachingandlearning.uwa.edu.au/staff/policies/conduct>), and with any additional requirements or stipulations that may be provided by individual unit co-ordinators.

Late Assignments

There are penalties for late assignments. Refer to the unit outline for more information.
