Dear Valerie

THANK YOU FOR YOUR WARM SUPPORT

We are grateful to PSB's Chinese Students Association for the donation of S\$1,200 being funds raised from Running for Love 2013 that will go towards helping Society for the Physically Disabled (SPD) provide programmes and services for people with disabilities. Attached is our tax-exempt receipt no. ASAP161972 for your record.

At SPD, we aim to help people with disabilities overcome or alleviate the barriers that they face by providing suitable/appropriate support and we know that it is only with the help of donors and supporters like the PSB Academy, that we are able to focus on enabling and equipping people with disabilities through affordable programmes and services.

Please convey our sincere thanks to the members of the Chinese Students Association and also the students who supported the event.

Yours sincerely
