You will then be able to search for e-books
from Pearson and Wiley

Accessing PSB Academy subscribed e-books

(Taylor & Francis, Cambridge University Press and Oxford University Press)

No.	Steps	Vendor	Image
1.	<p>Firstly, go to the website of by choice.</p> <p>Cambridge University Press website: https://www.cambridge.org/core</p> <p>Oxford University Press website: http://www.oxfordscholarship.com</p> <p>Taylor & Francis website: https://www.taylorfrancis.com</p>	<p>Cambridge University Press</p> <p>Oxford University Press</p> <p>Taylor & Francis</p>	  
2.	<p>From the e-book vendor website which you have selected, refer to the respective catalogue</p> <p>Key-in the <u>exact e-book title</u> required within the search box.</p>		
3.	<p>Click on the search (magnifying glass icon) button and the title should appear with either a <u>green tick</u> or a <u>green unlocked lock symbol</u>. This is</p>	<p>Cambridge University Press</p>	

<p>to signify that you have access to the full text.</p> <p>You can now read or download (wherever applicable) the entire text.</p>	<p>Oxford University Press</p>	 <p>The screenshot shows a search results page from Oxford University Press. The search query is "Reconnecting marketing to markets". The first result is "Reconnecting Marketing in Markets" by Anand, Rishi, P. V. L., and Paul, V. B. (Eds.) (2018). The second result is "Water in Kentucky: Natural History, Communities, and Conservation" by R. W. Howarth, J. C. Germon, and R. W. Howarth (Eds.) (2018). Both results have a "Full Text" button next to them, indicating that the full text is available.</p>
	<p>Taylor & Francis</p>	 <p>The screenshot shows a search results page from Taylor & Francis Group. The search query is "Advances in Molecular Techniques". The result is "Advances in Molecular Techniques" by Rakesh S. Sengar, Amit Kumar, Reshu Chauthary, Ashu Singh (Eds.) (2018). The result has a "Full Text" button next to it, indicating that the full text is available.</p>

Accessing PSB Academy subscribed e-books

(Elsevier for School of Life and Physical Sciences (SLPS))

No.	Steps	Image
1.	<p>Firstly, go to the Elsevier website: https://www.sciencedirect.com/</p> <p>As of now, the only category of e-books purchased by PSB Academy is Biochemistry, Genetics and Molecular Biology under ‘Life Sciences’.</p> <p>At the Elsevier Science Direct website, click on the ‘Life Sciences’ tab at the top menu or scroll down until you find the Life Sciences header, then click on ‘Biochemistry, Genetics and Molecular Biology’.</p>	 <p>The screenshot shows the Elsevier website navigation menu with 'Life Sciences' selected. Below the menu, the 'Life Sciences' section is highlighted, and the subcategory 'Biochemistry, Genetics and Molecular Biology' is also highlighted. The page displays a list of popular articles and recent publications, including 'Aluminium in brain tissue in autism', 'Personalized Gut Mucosal Colonization Resistance to Empiric Probiotics Is Associated with Unique Host and Microbio...', 'Applied Soil Ecology Volume 134', 'Neuropeptides Volume 72', and 'Marine Environmental Research Volume 142'.</p>
2.	<p>You will be redirected to this page.</p>	 <p>The screenshot shows the ScienceDirect search results page. The page displays 'Showing 2,959 publications' and a search bar. Below the search bar, there are options to refine publications by domain and subdomain. The domain is set to 'Biochemistry, Genetics and Molecular Biology' and the subdomain is set to 'Academia to Biotechnology'. The page also shows a list of publications, including 'ABC Proteins Book • 2003' and 'Academia to Biotechnology Book • 2005'.</p>

3. Scroll down until you see the 'Access Type' header at the bottom left of the page, and select all three options given (Subscribed & complimentary, Open access and Contains open access)

You will now be able to access all materials arranged in alphabetical order subscribed by PSB Academy as well as open access materials made available to the public. You are able to read them online and they are also downloadable (wherever applicable).

The screenshot shows a library catalog interface with the following elements:

- Publication type filters:**
 - Journals
 - Books
 - Handbooks
 - Reference works
 - Book series
- Access type filters (highlighted with a red box):**
 - Subscribed & complimentary
 - Open access
 - Contains open access
- Download link:** [Download holdings reports](#)
- Book list:**
 - Book • 2000
 - [Advanced Drug Delivery Reviews](#) (Journal • Contains open access)
 - [Advances in Biological Regulation](#) (Journal • Contains open access)
 - [Advances in Cellular and Molecular Biology of Membranes and Organelles](#) (Book series)
 - [Advances in Computational Biology](#) (Book • 1996)
 - [Advances in DNA Sequence-Specific Agents](#) (Book series)
 - [Advances in Enzyme Regulation](#) (Journal • Contains open access)
 - [Advances in Genome Biology](#) (Book series)
 - [Advances in Lipobiology](#)
- Alphabetical index:** I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z, 0-9
